## **Feature:**

### **Renford Broadcast Network**

**IAMPRESS, Inc. has 3 divisions of the media program including YouTube, Internet Radio and the electronic print media. Affiliates may be able to benefit from all 3 as it is a comprehensive plan.**

**All 3 of these programs as well as the film production were developed to benefit the Renford Books and books that IAMPRESS, Inc. has published. In the opinion of management this area of activity has grown so much it should be a separate company. This is necessary for efficiency and to allow IAMPRESS, Inc. to do what it does best, and that is assist first-time authors to get their books into print.**

**The following is a brief introduction to the three divisions that will make up Renford Broadcast Network. They are as television (the Youtube.com site), Radio by Renford and the Lightways E-zine.**

### **YOUTUBE.COM/RenfordBroadcastNetwork**

The Renford Broadcast Network on YouTube.com provides for Listings, Stationary Advertising Spots and 30 second Video advertising. There are 64 interviews ranging from 30 minutes to an hour. They include many of the interviews from the Book Man Show and from the Core Concepts Show.

### **Youtube.com/Renford Broadcast Network**

The Book Man Show was a weekly show on the Comcast Cable Network. It included guests who were authors, or worked in the publishing business. Core Concepts included religious and spiritual leaders. The format was simple. The questions centered on the religion in which they were raised, how they came to be in their current religion and why they were there. The interviews usually ended with the question Dr. Phil is famous for – How is that working for you?

Renford Revelations was aired on Comcast Cable Network Channel 31 which covers a 500 mile radius of Memphis. It encompasses St. Louis, Dallas, New Orleans and Atlanta. Listenership is stated as 550,000 at any given time.

All of the Book Man Shows, the Core Concepts Lectures, The Laws of Material Wealth Personal Development Program DVDs, Music with Meaning, and the Renford Theatre are all posted on the Renford Broadcast Network channel located on YouTube. We expect to expand this activity to include an Internet station with live streaming advertising of the Institute of Applied Metaphysics and its affiliated companies and projects. All the shows are displayed in the LIGHTWAYS E-zine

### **Radio by Renford on [Blogtalkradio.com/renford](http://Blogtalkradio.com/renford)**

We have operated RBR, an Internet radio network for over 5 years with talk radio shows broadcasting 2 hours a day. We have restructured the program to include an association of Hosts we call the RBR Hosts Association. We offer our Hosts not only a 1 hour show per week but a banner advertisement in the Lightways E-zine, an audio advertisement of 1-2 minutes which will play on a loop running between shows and a 4-7 minute infomercial which will go to the Renford Broadcast Network Youtube site.

The RBR Hosts program has developed into a fraternity of teachers, healers, creators and service oriented personalities. We have formerly been limited to two hours per day broadcast time with 12 shows per week. Of course this limited the number of Hosts, the genres and the audience we could reach. We want to provide an expanded network for those who are producing these shows and working to provide information and services to listeners. This is a diverse group and each host has appeal for a segment of the listener base. Each may create their own listener base as well. We have a variety of backgrounds but as hosts we all want the same thing. We want successful shows with a good audience base and to share what we have come to know by interviewing service oriented guests.

The RBR Network has included the following.:

**The Cosmic Contact Show** at 6:30pm CST is hosted by Pam Drinnon. Pam specializes in programs that have successfully drawn numerous callers for her psychic guests. Her Heart Wall practice has been very well received. She hosts her shows from Seattle Washington.

**The IAM-WELL Show** at 8:00pm CST is hosted by Annemieke Van Eijkeren in Holland. Annemieke's guests have come from both Europe and the United States and are of high quality. She has a large listener base and attracts a large number of visitors to the RBR Network archives. Her Co-Host is Eric Mace from New York and the Moderator is Rhonda Harrison.

**The Night Search Show** at 9:30pm CST is hosted by Eddie Middleton from Memphis, Tennessee and Justin Abner from Orlando FL. This show has been broadcast for more than 13 years. Eddie brought his show to the RBR Network and is the only one that deals with the paranormal. Eddie is the Tennessee State Director for MUFON which is the organization that investigates UFO sightings. His guests include other paranormal subjects such as Big Foot and Ghosts reports.

**The KNOW Show** at 7:00pm CST, hosted by Rev. Robert J. V. McMillan. Rev. McMillan hosts his show from Little Rock Arkansas and specializes in the "New Thought Movement" and spirituality in general. The Moderator is Rhonda Harrison

**The Laws of Material Wealth Personal Development Program** is live at 8:30pm CST and is hosted by James Renford Powell from Memphis Tennessee. The program was created to provide the commentary on the 54 weeks of support material sent each week to those who purchased The Laws of Material Wealth Personal Development Program. After the 54<sup>th</sup> week the guests will be drawn from entrepreneurs worldwide. The show is also broadcast on the DreamVisions7 Network each week from Boston with listeners in 125 countries. The show's Moderator is Rhonda Harrison.

**The Progressive News Weekly** at 5:30pm CST is hosted by Darryl Clark from New York. Darryl's guests have included well known personalities such as Dick Gregory and tend to focus on hot issues and current events. This is a long running show formerly on another network in New York. The Moderator and co-host is Cecil McDaniel.

**Intuitive Heart Radio** at 7:00pm CST Abigail Noel, a medium, a healer and a teacher interviews guests and reveals what she has found in her research in

other dimensions. This is an “out of the box” platform where Spiritual Truth can be explored without judgment.

**The Searcher’s Roadmap Show** at 1:00pm CST is hosted by Rhonda Harrison from Red Feathers Lakes Colorado. The Searcher’s Roadmap was the first RBR Show and thus the longest running show. Rhonda often hosts Shaman from around the world at her home 9000 feet up the mountains of Colorado. She is an expert healer, a great Moderator and now hosts this show.

**The Dream Visions 7 Show** at 3:00pm CST hosted by Deborah Beauvais from Boston Mass. Deborah controls a network which broadcast from an NBC station in Boston and from the Internet. Her network is made up of over a hundred hosts with a listener base in over 125 countries.

**Soul Town – The Sound of Music** broadcast at 3:00pm and is hosted from Memphis, Tennessee by Reginald Jenkins. Reginald was a founder member and CEO of Sound Town Records which was established after the closure of Stax Records in Memphis. The company received rewards from Soul Train from one of the most successful records called ‘Taxi’. We have included music on some of the shows performed by guests but this will be the first combination of talk and music show on the network. He will be featuring musicians from around the world but with some emphasis on the rich musical center of Memphis.

The total number of listeners of blogtalk radio is estimated to be in excess of five million. The shows are accessed by going to the RBR Network page located at [www.blogtalkradio.com/renford](http://www.blogtalkradio.com/renford) or calling 1-347-838-9142. All the shows are archived. The Director of RBR is Cecil McDaniel.

## **LIGHTWAYS – The E-zine**

LIGHTWAYS is an E-zine, (electronic magazine) which is distributed in volume by way of email links. It also remains at specific locations such as our websites, [www.IAM-COR.org](http://www.IAM-COR.org), [www.blogtalkradio.com/renford](http://www.blogtalkradio.com/renford) and the Renford Broadcast Network on YouTube.com and ABOOKNU.com the IAMPress website, where anyone can download it. It is a live publication as new additions are made during the quarter between editions. New updates of events and flashes are added to the electronic version. Subscribers will

receive the hard copy of the magazine but can also download the updates by downloading the E-zine and blogs.

Each edition features an overall theme and in some cases will feature a particular company or product. LIGHTWAYS is also the voice of the Institute of Applied Metaphysics, The Church of Revelation and IAMPress. LIGHTWAYS serves as an extension of the Book Store. It provides a connection to RBR and RBN shows and acts as a bulletin for the Institute of Applied Metaphysics and the Church of Revelation. It ties these activities together so that they become mutually beneficial to the reader.

Sponsors and Advertisers benefit from this connection. Sponsors are displayed not only in LIGHTWAYS but on RBR and RBN. Advertisers can get more coverage in multiple arenas at a lower cost.

LIGHTWAYS is about a clearer, more enlightened and positive creative process whatever you are developing. You will find articles and information that can help you overcome all obstacles.

An obstacle is just a challenge and challenges are how we grow and far exceed our original expectation. Two key words that we cannot afford to forget are INTENT and EXPECTATION. Know that until you establish INTENT in your mind, nothing will happen. Once you do and recognize that what is created in thought will be made manifest you can EXPECT to realize in the physical what you created mentally. Everything around that we see with our eyes had to exist in someone's mind first. Thought creates form. Without thought there can be no form.

LIGHTWAYS, like RBR and RBN is interested in providing you with the information to make informed decisions. Our founder is the author of 15 books dealing with the process of creation, with the process of identifying and verifying the Universal Laws in our life experiences and with the very real process of creation.

LIGHTWAY E, whether electronic or printed material, is your coordinator and connection with the Institute of Applied Metaphysics, the Church of Revelation, Radio by Renford, Publishing and Printing as well as the Renford Broadcast Network.

### **You Have Got to Change Your Way of Thinking**

Jesus' message was consistently the same, "You have to change your way of thinking." You might ask, where and when does he ever say that? The answer is that every time the Greek word "metenoia" is used this is what he was saying. In English this word is translated as "repent" and often makes no sense unless you understand what He was actually saying.

His concern was how the people were thinking. His concern for his apostles was the way they were thinking and He was equally concerned with how the Scribes and Pharisees were thinking. He did not so much castigate people for their actions but for the way they were thinking. Why? It was because what we think is what we are. To change one's actions we must change the way we are thinking. It is from this store-house of thinking that good is brought forth.

The symbols Jesus uses are important and I note the symbols in each parable. Recognizing the society He was talking to is important but to understand the parables and to understand Jesus we must look at the lessons of the parables recognizing that the real lessons have to do with the way we must change our way of thinking.

How do we change our way of thinking? We begin by recognizing that there are certain invariant principles which He is explaining and illustrating in each parable. This is the heart of the parables and leading us to change our way of thinking is his objective.

Anyone can take a course at a time and move through the process of graduating. However, there are some specific advantages to making a determination to complete the first level including being awarded a scholarship.

Scholarships are available which can culminate in certification to teach these same courses and ordination by the Church of Revelation as a Minister Teacher. The focus in the Universal Law Society is on the process of identifying and verifying the Universal Laws. There are 20 courses utilizing 8 essays with True/False questions and 12 texts with multiple choice questions. You start when you want to, go at your own pace and complete the courses simply by sending in your answers. Graduates are eligible for certification to teach all courses completed and for ordination as a Minister Teacher with the Church of Revelation. ### **Belief--Dead End Or Open Skies**

Belief can be broad or it can be narrow, true or untrue, productive or unproductive, positive or negative. The believer is in total control of it. Freedom to think becomes the freedom to believe and what we believe determines how we act and react, not only to external or sensory perceptions,

but also to our internal perception of ideas and their possibilities.

Belief is like an open or closed door, and our dwelling place is inside that door. There we have as little or as much light and truth and comfort as we have let enter via our belief. Our living and our life potential is ruled by what we choose to believe.

The Eternal Mind possess no restriction--posts no limit--on belief, but it has been my longtime observation that prescribing, limiting, and controlling belief is the principle aim and work of religion.

Until Science became the tool of political interests, it benefited humanity because it fostered expansive belief and the blessings that came with it. Until materialists hijacked Jesus' ministry, its spirituality opened seeking souls to limitless benefits here, now, and forever, but thereafter a materialistic religion crammed belief into a prescribed creedal system that is but the shadow of the Master's spirituality.

The shadow system has been around for 1700 years but there are signs that people no longer take comfort in a religion that prescribes and restricts belief about God, the true nature of God/Spirit/Mind, and their unlimited spiritual linkage with Christed creativity, love, and the goodness of divine living on the Earth side of Heaven.

Believing that All Good is all that Spirit intends for us is the only path our souls need. That way may appear straight and narrow, but it's Spirit's way of releasing our souls from our limited and limiting beliefs.

## **Humor Me:**

Visiting Annapolis, I noticed several plebes on their hands and knees holding pencils and clipboards. "What are they doing?" I asked our tour guide. "Each year, the upperclassmen ask the freshmen how many bricks it

took to finish paving this courtyard," he said. "So what's the answer?" my friend asked. The guide replied, "One." RD.com

## Quote of the Month

“Don’t say things. What you are stands over you the while and thunders so that I cannot hear what you say to the contrary.” Ralph Waldo Emerson

## Poet’s Porch:

### **Oneness Conceived – Duality Perceived**

It is in the conscious mind we learn to discriminate;  
To carefully pull apart, analyze and to differentiate.

Each race is proud to set itself above and apart;  
Our cultures, customs, our passions and our art.

Our mind-set is to argue over what we think is better.  
Each thinks his traditions come from God to the letter.

Individual responsibility is an indispensable prerequisite;  
Expressing individuality just to be different - inadequate.

We spend our lives in an effort to distinguish our name.  
In the eyes of the world we seek approval and avoid blame.

In the material world and in all forms of life we analyze,  
We classify, discuss at length, and in the end, categorize.

We’re concerned with religious division and disharmony  
But we continue to build walls around our philosophy.

We are concerned with how each is unique or different –  
And ignore the truth in each, the Laws invariant.

The atom and the vast universe we wish to know,  
Have in common the same structure, the pull to and fro.

Entangled and deluded by what we think is Reality,  
Unable to imagine the whole, we fail to see the unity.

## Introduction to the Renford Books

The Introduction to the Renford Books is a sample of what you will find in more detail in the pages of *The Renford Books*. *The Renford Books Catalog* contains the basic information on the books. It will be sent on request and will be available at [www.IAM-COR.org](http://www.IAM-COR.org), [www.iamrenford.com](http://www.iamrenford.com) and at [www.Daucers.com](http://www.Daucers.com).

“You can travel to the furthest recesses of any continent, endure years of discipline, have personal time with a master teacher, learn to develop psychic capabilities and experience intense visions; but sooner or later, the Universal Laws must be consciously identified and verified from your life experiences in order for you to truly know your Self.”

People all over the world are discovering that they can study world religions and philosophy and go to great lengths to develop spiritually and still not really go far in the process of self-discovery. We would like particular type of reader in mind yet the subject matter is similar in that always I am dealing with the Universal Laws. I have been asked often why I am always talking about the Universal Laws. There is nothing else to talk or write about. Every thought and every action we take, no matter how wrong we might be, is based in these laws. We live move and have our being in them and it is imperative that we understand them.

In this document, now included in each book, I am giving a little history as to why I wrote them, for whom they were written and why. At the heart of our thinking when we consider reading a book the essential questions are, what is in it for me? How will I benefit by reading this book? The purpose of *The Renford Books* and this document is to address these questions.

My effort is to demystify the process. I bring out the ultimate master in each of us. We start with the conscious process of identifying and verifying each of the Universal Laws from our life experiences. Once they are clearly understood on a conscious level, we begin the process of self-observation and let the intuitive mind, the inner being, take over.

### ***The Searcher's Road Map***

*The Searcher's Road Map* introduces the reader to the Universal Laws, the Renford Books, the Institute of Applied Metaphysics and the Universal Law Society. This book promotes no religion but seeks to show how we are alike as opposed to how we are different. *The Searcher's Road Map* could be called a marketing piece. Renford wanted to create a book that looked like a book, would be accepted as a book but really would serve the purpose of introducing the reader to the whole program.

### ***The COR Document***

The COR Document is the manual for the Church of Revelation. It addresses the problems that beset religious organizations and explains the mission of the group. The Church of Revelation was established to provide assistance with the personal ministries of graduates of the Institute of Applied Metaphysics. This book defines an organization that is structured so that the best interest of the individual member is held as première. Both Krishnamurti and Yung noted that as soon as an organization is formed the interest of the group supersedes that of the individual. Where this occurs in a spiritual organization a barrier is created to self-discovery. COR is based on knowledge and understanding, not on politics or tenure.

### ***The Rules of the Game***

*The Rules of the Game* introduces the Universal Laws in the simplest manner possible. It is not an in-depth study, but provides a basis for understanding of the Laws. Many people do not consider what Jesus or Buddha had to say as relevant to their lives today. They are not really interested in the great sages. Some are, however, interested in what Vince Lombardi, Lou Holtz and Bear Bryant had to say. These legendary philosopher coaches may never have thought in terms of Universal Principles but the quotes recorded in this book show they understood the principles about which they were speaking. The game of football is shown to be analogous to the Laws of Life, and the quotes illustrate that even on the simplest everyday matters of life, these Laws are in play. It was Renford's intention to provide as simple an explanation of each Universal Law as he possibly could and avoid any trace of religious doctrine or dogma. He

wanted to create a book that could be used by sports organizations or any kind of group that supports youth development.

### ***The House That Namuh Built***

The creation of meaningful allegories, in fact, the writing of allegories, is an art form that some think is disappearing. When you find a good allegory that is expressing a Universal Principle, it can have a powerful effect on your life. *The House That Namuh Built* is about first a man, and then a whole people who begin on the path of Self-discovery. Again, it is about the Universal Laws, the invariant facts of life, upon which we can base our understanding for Self-discovery. This is a modern day parable, an allegory of the process of Self-discovery. Everyone in the story represents an attitude, an emotion or a Universal Law. The purpose of the book is to aid readers in the process of identifying and verifying the Universal Laws from their own life experiences.

The initial intent was to write a book for young people that would introduce them to the process of identifying and verifying the Universal Laws in their life experiences. The first draft was about 19 pages. It addressed the subject of the levels of mind and it took more than 5 years fleshing out characters and creating stories within the story to illustrate each of the Laws. Renford says he has received more feedback from readers regarding this book than any other.

### ***In Search of Self***

This is a book of prose and poetry that parallels the other books in the study of the Universal Laws. You will find that one of these Laws states that to truly understand anything, one must experience it personally. *In Search of Self* is the rendering of the Laws in verse. It allows readers to experience the process of identifying the Universal Laws from one's life experiences. Renford says this book is more personal to him than some of the books because it reflects his process of self-discovery. These poems were written over a long period of time and were collected into sections that pertain to each of the Universal Laws.

It was not Renford's intention to write a book of poetry but he simply put a collection together of his works over a long period of time. He has noted that

he approaches poetry differently. It is as if we have to pay more attention to every line in order to grasp the real meaning.

### ***The Laws of Material Wealth***

This book was written for those who are pondering career changes or contemplating going into business for themselves. It applies Renford's understanding of the Universal Laws and his experience working with entrepreneurs, especially in startup situations. For many people developing their own business is a compelling idea. Sometimes a hobby or particular activity is all that really interests some people. *The Laws of Material Wealth* helps readers understand where this is coming from and why it is important for them as part of the creative process. The fundamentals based on the Universal Principles of creation are the foundation no one can ignore.

This book was written while Renford was working in venture capital. He was raising the money to raise the money. In other words, seed capital, the funds necessary to get into the position to approach venture capital, securities companies or angels. He came to the conclusion that though his clients saw everything as a money problem, the real problem more often than not was management and their unrealistic expectations. He used a number of examples from this period changing the names to protect the guilty!

### ***The Laws of Material Wealth Workbook***

The Workbook for *The Laws of Material Wealth* follows the chapters in the book and includes four - five exercises in each chapter dealing with a Universal Law. Sample questions one may need to ask are included. The primary purpose is to assist the reader in the process of identifying and verifying each of the Universal Laws in his own experiences and making application of this knowledge in the creation of the image held in thought. Whether a business, career or a non-profit project this is the process of creation, and above all else each of us are creating our lives.

### ***Support for the Laws of Material Wealth***

Once a student has the book, the workbook and the 4 DVDs he receives access to the 54 weeks of support material and online coaching. The support material is delivered by e-mail and the radio program on the RBR Network called The Laws of Material Wealth Personal Development Program constitutes oral coaching on each of these 54 weeks of support material. The shows are available at present in the archives of the RBR Network at [www.blogtalkradio.com/renford](http://www.blogtalkradio.com/renford) and will be available on DVDs for those who purchase the program. The support material will be published as an additional workbook for the program.

### *The River of Life*

This book is primarily written in verse. It is about the eternal nature of being. It picks up an entity that is between physical lives and follows him on his journey down the river of life. It addresses the various theories of life after death that is usually dumped under the general term of “reincarnation.” Christian dogma starts the clock on the nature of being with physical birth, and this essentially denies the word “eternal” except in terms of an eternal reward or punishment. This book points to the fact that the word eternal means **without beginning as well as without end.**

### *The Mysteries Revealed*

This book looks at the meaning of the most controversial of the biblical books – the *Book of Revelation*. Many equate the word “apocalyptic” with the word “catastrophic.” “Apocalyptic” does not mean “catastrophic.” It means revelation. It is also called the *Revelation of John*. Dreams can seem crazy when viewed in relative consciousness, so it is important to use the language of the mind. Since there are a number of visions mentioned, *The Book of Revelation* should be treated and interpreted as a dream. Though most consider *The Book of Revelation* simply to be a book of riddles, there are those who teach a religion of fear based upon it. It is really about moving **from fear based feeling to love based living.** *The Mysteries Revealed* is a metaphysical interpretation of the *Apocalypse of John* – the revelation of Jesus. It is a roadmap to Self- unfoldment. It is the mysteries revealed.

### *The Metaphysical Bible*

It is a mistake to think that one can interpret all the books of the Bible in exactly the same manner. One cannot interpret all these books literally, metaphysically or with any set formula. Each book was written by the writer to a specific individual or group for a specific reason. *The Father Confusors* deals with physical events described by ancient witnesses from their only points of reference. *The Metaphysical Bible* deals with scripture that is obviously metaphorical or metaphysical in nature. Popular and familiar passages such as *Isaiah 55*, the Lord's Prayer, the 23<sup>rd</sup> *Psalms* and others are revealed in a different light. The deeper, and with all due respect to theologians and philosophers, clearer picture of what was being said is recorded for your study. Some, if not all, of the passages that are metaphysically rendered can be found in various Renford Books, but they are all together and in an easily understandable order in this book.

Included in this book is a chapter on how we got our Bible. Many think of it as something that has always existed but it was a collection ordered by an Emperor who was himself not a Christian. What should or should not be included is still a matter of conjecture with the Greek Catholics, Roman Catholics and Protestants, not to mention the Gnostics, putting forward their collection as the Bible.

### ***Renford Revelations Volume One – Volume Four***

Included in these books are blogs, articles and essays by Renford on a variety of subjects of contemporary interest. The power that can be gained by understanding of the ancient teaching of the Masters come alive with understanding of applied metaphysics. Without a practical way to understand and harmonize with the Universal Laws, the benefit is limited to the intellect or faith. The Essays are revelations that come from the process of identifying and verifying the Universal Laws from life experiences. They have been delivered on Internet radio, Internet Article Centers and included as chapters in some of the Renford Books.

### ***The Father Confusors***

This is a study of ancient scripture and the parallels that can be seen in related stories. It is in the third level of the Institute of Applied Metaphysics and builds on the lessons learned from the Universal Laws. Once the Universal Laws are understood, at least on a basic level, *The Father Confusors* helps differentiate between Universal Being – God and alien

entities that were thought to be God or posed as God. The First Cause, the Creative Force we call Universal Being, is identified through the Divine Self-Expression, the Universal Laws. This book deals with numerous incidences described by ancient witnesses from their point of reference and what they are describing is not God nor God-like attitudes and actions. Witnesses describe an incident from their point of reference. Ancient witnesses could not include all the technological advancements of the 21<sup>st</sup> century.

### ***The Core Teachings***

This book identifies thirteen Universal Laws that were taught by the Great Masters. The emphasis is on how their teachings were alike as opposed to how they were different. It can be read in two ways. It may be read as any book from front to back in the normal way or the reader can take any one of the Universal Laws and follow the thinking of the Masters one by one. You can read what Buddha had to say about one of the Laws in the Dhammapada – what Lao Tzu said in the Tao Teh Ching, what Vedic writers said in ancient Vedic texts – what the Zen Masters said – what Jesus said and what Mohammed said. The book moves on to famous writers and teachers such as William James, Ralph Waldo Emerson, Thomas Troward, Wallace Wattles and Napoleon Hill. The last author quoted is Dr. David Hawkins PhD. The reader can get a more comprehensive picture of a Universal Law than any other way. Readers and students can see for themselves how the original teachings parallel each other. In the process of this study what has been added can be identified. To some degree, there is an introduction to the Universal Laws in virtually all of the Renford Books, but in *The Core Teachings*, there is a more in depth study of the Laws.

### ***The Unity Principles***

This book is a study of the writings of Charles Fillmore and Emily Cady and records what they said about the Universal Laws in comparison to what are commonly accepted as the Unity Principles. No matter how the Unity Principles are represented today, we can see in this book that Fillmore and Cady were very specific in their statements.

The 5 Unity principles as they are explained by the ministers of Unity Church of Christianity are really principles that any Christian could agree with. However, when we look at the specific statements of Cady and

Fillmore we find very specific definitions of each of the 13 Universal Laws that are unequivocal. These statements, unlike those put forward officially as the Unity Principles orthodox Christians would not agree with. The Principle of Absolute Unity, for instance, is clearly stated in Unity as, “There is only one power in the universe.” Orthodox Christianity says there are two warring powers battling over the souls of men, God and angelic army and the devil with his demonic forces. Duality is predominant throughout traditional Christianity.

### ***The Universal Law Society Workbook***

The ULS Workbook contains the multiple choice Lesson Questions for the books and essays that make up the first level of study for the Institute of Applied Metaphysics. The first level is called the Universal Law Society because each of the Renford Books deals with the Universal Laws. The essays have True and False Lesson Questions. This is the workbook necessary for those who want to complete the ULS and become eligible for ordination by the Church of Revelation as Minister – Teacher.

### ***The IAM Masters Workbook***

In the second level, the M. A. Program, the focus shifts to the process of manifestation and acceptance. The purpose of this level is to engender understanding of the process of creation. In fact many of the teachers who have studied the Universal Laws call them “the Laws of Creation”.

It is obvious that masters, such as Jesus, saw our purpose for being here to create and be productive. we have the illustration of Jesus wilting the fig tree because it was barren. He told the parable of the talents which emphasized the need to be productive and explained what the primary enemy of the individual is, “Fear”.

### ***The PhAM Workbook***

This workbook contains essays with lesson questions and all assignments. It also includes all of the multiple choice questions for the texts in this level. This is a required purchase for one who wants to complete the third level. The material in this level is advanced information not readily available in most esoteric schools. Completion of this level entitles the graduate to teach

any courses in this level as well as ordination as a Doctor – Metaphysician in the Church of Revelation.

### ***The Author's Workshop***

This workbook is the text taught in workshops and is provided for paying students as part of the price of the workshop. It can be purchased separately but it is in outline form and much is to be gained from the explanations covering it. This is a complete guide to aspiring authors. Publishing is defined, what to expect as part of the process and what to do when your book is covered. The workshop is generally presented in a three hour format beginning with a clear picture of how the publishing business has evolved and how to adapt to these changes. This is important if a new author is going to be able to make informed decisions. With this knowledge it will be much more difficult for anyone to take advantage of a new author. Cost cannot be hidden if the author knows what the process is. When you know the questions to ask publishers and people who assist with publishing recognize that you want an itemized fixed cost in advance and that you intend to maintain control.

### ***Half Enlightened Masters***

The purpose of this book is to familiarize the reader with the steps to be taken in the process of self-discovery. In order to accomplish this process it is helpful to look at ways people have tried to do this. Religion has been the main focus. The occult world is another, which includes the search for a perfect master in the popular Eastern tradition. Renford is offering his observations with regard to organizations covered in this book because he has been able to study and spend time with supporters of these schools of thought. They were not selected for critiquing purposes. Basic information is provided and readers can take the time, should they so desire, to investigate any or all that has been included.

### ***The Literalist Conspiracy***

This book gives an accurate picture uncolored by the Catholic Church story line. It reveals the facts about the first 50 years after Christ, the Ebionites under James the brother of Jesus in Jerusalem as well as the coming of the Gnostics. It reveals a small group of the lowest level Gnostics, called Hylics who interpreted the myths with meaning written by Gnostics literally and

turned them into narratives. It is about the state of Christianity through to the Nicene Council in 325. It traces the development of a new aggressive and violent religion founded by the Emperor, a non-Christian, for political purposes. This new religion was structured along the lines of the Roman Military, and combined with the state apparatus, created a resilient theocracy that when the state failed continued to develop through other states. This book contains information on existing and competing religions at the time and the role politics played in the creation of the Bible.

### *The Revealer*

*The Revealer* is an in depth study of the mission of Jesus, the religious and political scene at the time of his recorded life and the very essence of his teachings. This book deals with the secrets he said he was there to reveal. He said these secrets had lain hidden from the foundations of the earth. In the same verse, *Matthew* 13:35, where he states this is his purpose for coming. The writer of *Matthew* goes on to say, “And he spoke to them in parables and without parables spoke He not.” This very clearly tells us where the secrets are to be found.

### *IAM-WELL*

It is clear that the basic and most effective way to be healthy is to be completely healthy. We mean by this, healthy in mind, body, and spirit. Any other approach yields only temporary results. It is necessary to identify and come into harmony with the Laws of Life if one is to know true health. Medicine and the science of healing on the physical level have come a long way. Its advancements, however, have been so focused on the physical level that mind and soul have been considered only possible aids in physical health. In other words, the advances have been made without recognition of the fact that mind and spirit are a part of the equation. Scientists have proved that everything on this vibratory plane is governed by laws, but they are only aware of physical laws. We would like to suggest that you look at the question of health and the laws that govern health with a more comprehensive view including body soul and mind. In the Renford Books these Laws are referred to as the Universal Laws and the author shows how they affect the natural laws with which we have become somewhat familiar. We could also refer to them as simply, The Laws of Life.

## *The IAM Catalog*

The idea for the creation of the Institute of Applied Metaphysics developed from the suggestions and contributions of many who read the Renford Books when they were still in manuscript form. Readers and students have continued to motivate Renford culminating in the establishment of the Institute and its Board of Regents. The Renford Books constitute Renford's understanding on a wide range of subjects, each related to the Universal Laws. As a student of the Institute of Applied Metaphysics you will learn on three levels. The first level is a comprehensive look at the Universal Laws with the objective being to identify and verify each from your own life experiences. The second level looks at our primary purpose for being here and the process of manifesting our evolution and unfoldment. The third level ties it all together with an in depth esoteric study.

The courses, essays and lesson questions for all three levels are listed along with comprehensive information on the Institute. This catalog also provides a clear picture of the philosophy of the Institute with regard to education and educational institutions.

One only need read one of the Renford Books to recognize that they are different. With a dedicated study of these books one can break the bonds of mechanical thinking and begin the process of evolution and unfoldment. The same old fuzzily stated esoteric ideas are absent. There is a clear and direct communication of the invariant principles in a way that any serious student can understand and find a path to run on.

## *Original Science*

Science today draws on the contribution of early giants such as Hermes Trismegistus, Pythagoras, Socrates, Aristotle and others. At the same time they made these scientific contributions they were extraordinary philosophers. There were simply not the clearly established lines we have today between philosophy and science.

You can request a copy of the Renford Books Catalog at [iamrenford@gmail.com](mailto:iamrenford@gmail.com). These books are available in paperback and as electronic books.

## *Government*

In this book original laws from ancient texts such as The Laws of Maat, The Code of Hammurabi and the Ten Commandments are shown to be the core principles upon which our judicial system and systems of government are based. There were other such ancient text all of which the kings who brought them claimed were given to them by the gods on a mountain top. It is what all including the Law of Moses have in common as they all claim them to be a revelation exclusively for them by the gods to provide for the people.

This book explains how from these basic laws we have meandered through history and the divine right of kings to eventually arrive at constitutional law by the people and for the people.

### ***Religions of the World***

This book may not include every religious group in the world and there are many derivatives from each of the major religions. The major ones are covered using both the literalist and esoteric extremes. The Literalist side will be most interested in form, doctrine, and ritual. The esoteric side will be interested in the process of enlightenment and understanding. There will be some religions of which you will have limited knowledge. You can find information on the Internet with regard to any religion but you have to know what to look for. I think there will be some in this book you would not have known to look for.

### ***The Contemporary Revealers***

This book is a review of contemporary writers who have addressed and explained some, if not all, of the Universal Laws. This fact is not recognized by those who have written reviews of these authors and their books. It may be that they do not recognize the significance of these writings. For instance, people who write about Edgar Casey involve themselves in how accurate his readings of the future have been. They want to theorize about what he saw in political terms etc. They miss the significance of his identification and verifications of the Universal Laws. You will not hear from most Christian Ministers about the Universal Laws but Jesus himself said that he had come to reveal the secrets that had lain hidden from the foundations of the earth. He told his apostles that he had revealed the mysteries to them though they don't appear to have been astute students. This book features people who have revealed at least partially the Universal Laws.

## *The Language of the Mind*

When we attempt to interpret a dream, especially those that are recurring, we have no hope unless we know the language being used. We think in pictures and it is motion pictures we receive. These pictures are symbols with which the inner being is using to talk to us. If we associate the dream only with the picture or scenes related to the experience in the relative conscious state while awake it is like trying to translate from Chinese to English using only Greek. It does not work! If we know the symbols we know the language of the mind. Most of us are not meditating and the only time the inner-being can talk to us is when we are asleep. If we attempt to interpret our dreams in the relative conscious language of our relative conscious lives we have the total confusion and fear-based interpretations of those who give us literal interpretations of the *Book of Revelation*

## *The Four Pillars*

*The Four Pillars* is designed to provide practical steps and a guide to identifying and verifying the Universal Laws in your life experiences. The four pillars are Identification, Verification, Observation and Meditation. This book is currently being edited and it is expected to be available within 60 days. It is being added to the Universal Law Society.

## *My Way*

In *My Way* I reveal the process from birth of finding my way. While often feeling lost or caught up in religious studies, and while experiencing the struggles of business, there was always this singular process of self-discovery. This book was written in the hope you may find a way to do the same.

The Institute was born in the information age, and the Internet is the primary vehicle for contact and distribution. It brings a simple message that connects the dots for those who are seriously on the path of personal development. Each of 13 Universal Laws relate to the other 12 and the power is in knowing this. Many organizations bring a wide variety of teachers and lessons to their membership and though they are good and beneficial, the connection escapes them. We cooperate and work with those who are open to cooperation. The institute is clear about the differences between traditional education and knowledge that can be gained at the Institute. Students learn of the four fields of knowledge and what lies beyond what is traditionally available.

## Benefits of Spiritual Response Therapy

Clearing the subconscious mind with SRT helps one to become aware of working with more than the subconscious. As negative patterns are cleared, an important channel of communication begins to open; a connection with the High-Self is made. Guidance and help are constantly given to us from the spiritual realm; however we are not always aware of it. As a Spiritual Response Therapy Practitioner, I have noticed the benefits that clients receive when there is clearance of programs/blocks. They report feeling better and having a more positive outlook on their life.

Everyone has unlimited potential and should be aware of who they are and what they can do in this lifetime. Dr. Ross is on a mission to inform, educate and help others realize their potential and understand the possibilities that are available to them.

I work as a Finnish-Scandinavian tradition shaman. What is a shaman? This is a healer who creates changes in the energetic structures underlying your physical body. A tietaja, as we are known, can shift into other dimensions, finding often overlooked factors behind your physical, emotional, or spiritual challenges or discomforts. When we find and resolve the issue(s) in the subtle bodies, the physical body experiences restoration. For more, essays (blog), testimonials, and mission statement, go to:

## *Gambling With Your Soul: What Is Your Best Bet?*

Henry Arnold Davis

If you've ever wondered "What will happen to me when I die?" this book is for you. I first considered the question at eight years of age staring down the barrel of a thirty-eight-caliber revolver under a white-knuckled death grip in my father's hand—the same gun used on him by my older brother years earlier. Drawing on religion, science, philosophy,

mathematics, near-death experiences (NDE), out-of-body experiences (OBE), spirit encounters, hundreds of interviews across the globe, and good old-fashioned common sense, *Gambling With Your Soul* tackles the controversial topic of life after death by standing on two fundamental truths. First, everyone is going to die. Second, no one knows what will happen to them after they die. In the face of these truths, *What Is Your Best Bet?* Analyzing the afterlife beliefs of the world's top twenty-two religions/nonreligions, this book proves it is Christianity. This is not to say that Christianity is "right," and all other religions are

"wrong." It is simply your best bet. The book provides an original, objective, and comprehensive answer to the question that's sewn into the DNA of every human being.

"In *Gambling With Your Soul*, Henry Arnold Davis offers a multi-faceted and multi-disciplinary approach to how one thinks about living and the afterlife. Davis' powerful personal narrative intersects with his knowledge of religions around the world to capture any reader regardless of religious or faith beliefs. Highly recommended!" Website:

## THE RENFORD AFFIRMATIONS

*I know that anything I can conceive and believe I can achieve. Everyday ideas are coming to me. Every day I gain more confidence because I believe in myself. God dwells in me, and I can access God Power by recognizing my innate powers.*

*I know that there are certain Universal Principles or Laws upon which all laws, including the laws of physics, rest. I am persistent in my identification of these Laws in my life. I am using my innate powers to come into harmony with these Laws of life. I know that these Laws are the Divine Self-Expression and that through understanding them in my life experiences, I can BE STILL AND KNOW GOD.*

*I see all problems as challenges that simply require a learning process. I love them because they exist in Divine Love for my benefit. I understand that proper perspective is necessary to begin any work and I'm daily developing the capability to view my life in proper perspective.*

*The essence of God is in me and I am pure potentiality. Every thought I have creates. I am aware that I can create destructively as easily as I can create constructively; therefore, my every thought is observed as if I were outside looking in. Negative and fearful thoughts are immediately apprehended and brought into the light from the dark corners and hidden caverns of my mind. In their place, creative and constructive thoughts are building the edifice of self-knowledge and understanding, which is my birthright.*

*I know that there are no limits upon the abundance that is available to me, except those that I place upon myself. I am releasing all thoughts that restrict or limit me. I am attracting all the skills, people and materials that I need to fulfill my primary purpose. These assets and attributes are daily being placed on the infrastructure that I have created in thought. I am manifesting what I have imaged in thought.*

*I know that I am not alone but part of the absolute unity of all. I know that every action has a reaction. I know that all is connected; therefore, there are always consequences of my thoughts, attitudes and actions. I observe this and daily create an ever-expanding positive force.*

*I am giving of myself every day in every way. I share my wealth, time and knowledge, and the cosmos rewards me in multiples of my giving. It is inevitable that I receive when I give, because this is an expression of a Universal Law.*

*I know that no matter what I give or receive, there is only one essential ingredient, and this ingredient is the makeup of God. IT IS LOVE. Every time I share my knowledge, wealth or time, I am giving packets of LOVE—Packets of God. Love is all that I have been given, and it is all that I can give. I give love freely and daily.*

*I know where I am, who and what I am, and what I am capable of. I know that my capacity for energetic activity, creative thought and love is endless and that my energy supplier, Universal Being, is infinite. I take responsibility for what I have and will create. I know that what I create in thought, and give the power of emotion to, will be manifested. I AM IN EVERY WAY CREATING MY LIFE! ~ ~ ~*
